[Citronella Berry Fragrance Oil](#)  
[Polysorbate 20](#)  
[8 oz Black PET Boston Round Bottles](#)  
[White Fine Mist Sprayers 24/410](#)

Other Ingredients & Equipment You'll Need:  
Scale  
Funnel

## Here's How It's Done : Directions

### **Total Recipe Weights:**

233 grams of Odor Eliminator

12 grams of Citronella Berry Fragrance Oil

12 grams of Polysorbate 20

Prep your work area by cleaning and sanitizing it.

**Step 1:** Place your 8 oz. black Boston round bottle on your scale. Next, place the funnel into the opening of the bottle. Tare out the weight.

**Step 2:** Next, carefully weigh out and pour the citronella berry fragrance oil into the bottle. Tare out the weight again.

**Step 3:** Then, weigh out and pour the polysorbate 20 into the bottle. Remove the funnel.

**Step 4:** Carefully, swirl the two ingredients together in the bottle. Then place the bottle back onto the scale, and place the funnel back into the bottle opening.

**Step 5:** For a final time tare out the weight. Then, weigh out and pour the odor eliminator into the bottle.

**Step 6:** Place the fine mist sprayer onto the bottle. Finally, shake the bottle to incorporate.

Your Bug Repelling Body Spray is now ready to be used. Enjoy your outdoor freedom!
