Here's How It's Done : Directions

Total Recipe Weights for Pink Layer:

70 grams All Natural Lip Balm Base
20 drops Black Cherry BOOM Flavoring Oil
3 White Chocolate Wafers
3 drops Prissy Pink Lip Tint

Total Recipe Weights for White Layer:

70 grams All Natural Lip Balm Base
20 drops Black Cherry BOOM Flavoring Oil
3 White Chocolate Wafers

Step 1: Using your scale, weigh out 70 grams of Natures Garden's lip balm base and 3 white chocolate wafers. Melt the base in the microwave in 30-second intervals until it is fully melted. Stir between each 30 second burst.

Step 2: Once melted, add 3 drops of the Prissy Pink Lip Tint and 20 drops of the Black Cherry Boom Flavoring. Stir.

Step 3: Fill each of the 6- ml pots halfway with the pink lip balm. Add the remaining lip balm to the white lip balm tubes. Allow them to setup and come to room temperature.

Step 4: Once again, using your scale, weigh out 70 grams of Natures Garden's lip balm base and 3 white chocolate wafers. Melt the base in the microwave in 30-second intervals until it is fully melted. Stir between each 30-second burst.

Step 5: We will prepare the white lip balm. Add 20 drops of the Black Cherry BOOM Flavoring. Stir to blend the ingredients.

Step 6: Fill the second half of the jars. Then, add the remaining to the lip balm tubes using a clean pipette.

Step 7: Using a clean pipette, fill the other half of the 6 ml container with the white lip balm. Then, add the remaining lip balm to the lip balm tubes.

Step 8: Once the lip balm has cooled, place a lid on each of the jars and tubes.

Your Cherries and Chocolate Lip Balm is now ready to use! Enjoy!
