Clean & Sanitize your work area and all of your packaging materials. It is suggested that you wear gloves, protective clothing, and a hair net while preparing this recipe.

Step 1: First weigh out and mix the baking soda, Epsom salt, corn starch, kaolin clay, and powdered milk. You will want to break up any clumps you find in the mixture.

Step 2: Next, using a double boiler, melt the mango butter, rice bran oil, and cocoa butter golden natural. Mix thoroughly to be sure everything is evenly blended.

Step 3: Now, add your wet ingredients to the dry ingredients. Once again, mix to fully incorporate all of the ingredients.

Step 4: Then, add 20 grams of Christmas Cookies Fragrance Oil and Vanilla White. Use your hands to mix the fragrance oil into the bath cookie dough.

Step 5: Begin adding the citric acid and mix it in using your hands. Next, mist your mixture with witch hazel while mixing. Once you have a dough like consistency, go ahead and start forming cookies. You want to pack them tightly so that they do not crumble. Place them on a silicone mat or wax paper. Allow them to harden.

Step 6: Prepare your whipped frosting. First whip the soap whipped soap base using a hand held mixer. Then, add the vegetable glycerin, Vanilla White, Christmas Cookies Fragrance Oil, and colorant. Again, mix using your hand mixer to blend the ingredients together.

Step 7: Now, melt your cocoa butter mp soap in your microwave in 30-second intervals until it is in a fluid state. Once melted, add it to the whipped soap base and use the hand mixer to blend it to a whipped frosting consistency.

Step 8: Quickly frost your cookies and add sprinkles.

Your Christmas Bath Cookies are now ready to use! Simply place a cookie in your bathtub to use!
