Here's How It's Done : Directions

Total Recipe Weights:
26 grams White Beeswax
20 grams Coconut Oil 76
30 grams Cocoa Butter Deodorized
20 grams Mango Butter
20 grams Shea Butter
1 gram Vitamin E Oil
40 drops Cotton Candy Flavoring Oil
5 drops Prissy Pink Lip Tint
2 grams Honey

Clean & Sanitize your work area and all of your packaging materials. It is suggested that you wear gloves, protective clothing, and a hair net while preparing this recipe.

Step 1: Weigh out and use a double boiler to melt the proper amounts of beeswax, coconut oil 76, cocoa butter, shea butter, and mango butter.

Step 2: Once the beeswax and butter are in a liquid state, add honey, Prissy Pink Lip Tint and Cotton Candy Flavoring. Stir.

Step 3: Next, transfer your mixture into lip balm tubes using the disposable pipettes. Our plastic pipettes work better than glass pipettes because they do not cool down your mixture as quickly as glass pipettes do.

Step 4: Allow the lip balm to cool at room temperature.

Step 5: Once your lip balm has setup, place the caps on the lip balm tubes.

Your Cotton Candy Lip Balm is now ready to use!
