

## Facial Mask for Acne Recipe

*Recipe makes approximately 7 - 4 ounce jars.*

Here's What You Need:  
Ingredients

[Rhassoul Clay Powder](#)  
[Pomegranate Fruit Powder](#)  
[Papaya Leaf Powder](#)  
[Calendula Flowers Powder](#)  
[Green Tea Powder](#)  
[VITAMIN E OIL \(Tocopherol T-50\) Natural](#)  
[Tea Tree Australian Essential Oil](#)  
[VEGETABLE GLYCERIN](#)  
[Disposable Pipettes](#)  
[1 oz. Clear PET Bullet Bottle](#)  
[White Ribbed Lids 20/410](#)  
[4 oz. Clear PET Jars](#)  
[White Straight Lid Smooth 58/400](#)

### **Other Ingredients & Equipment You'll Need:**

Mixing Bowls  
Mixing Spoons  
Stovetop  
Pots (for double boiler)  
Scale

## Here's How It's Done : Directions

### **Total Recipe Amounts:**

448 grams Rhassoul Clay Powder  
48 grams Pomegranate Fruit Powder  
48 grams Papaya Leaf Powder  
48 grams Calendula Flowers Powder  
48 grams Green Tea Powder  
48 drops Vitamin E Oil  
64 drops Tea Tree Essential Oil  
84 grams Vegetable Glycerin

Clean and sanitize your work area and all of your packaging materials. It is suggested that you wear gloves, protective clothing, and a hair net while preparing this recipe.

**Step 1:** In a medium sized mixing bowl, bring your scale out to measure your powders. Weigh out the pomegranate fruit, papaya leaf, calendula flowers, and green tea powders. The order that you weigh them does not matter.

**Step 2:** Next, to the same bowl, add 448 grams of your rhassoul clay powder. Fully mix the ingredients making sure everything is evenly dispersed.

**Step 3:** Now, use a disposable pipette to add 48 drops of vitamin e oil.

**Step 4:** Then, using another pipette, add 64 drops of tea tree essential oil.

**Step 5:** Finally, use a spoon or spatula to mix the ingredients together.

**Step 6:** The powdered portion is now finished. Go ahead and scoop the powder into your four ounce jars. Place a lid on each jar.

**Step 7:** Next, add 24 grams vegetable glycerin to each of your seven 1 oz. clear bullet bottles. Place a white ribbed lid on each bottle.

## Here's How It's Done : Directions

**Step 8:** To use your facial mask, you will need a small mixing bowl. Add one tablespoon of powder, two tablespoons of water, and about 1/2 teaspoon of vegetable glycerin. Mix well.

Note: We chose to package the powder separately from the vegetable glycerin. By creating the mask without water, you will not need to add a preservative. This will allow you to prepare a quick product for your customers. Each four ounce jar will create approximately 8 facial masks.

We hope that you enjoy our facial mask for acne recipe!
