[Sea Salt and Orchid Fragrance Oil](#)
[Vitamin E Oil Tocopherol T-50](#)
[4 oz Clear PET Jar](#)
[58/400 White Dome Lids](#)
[Thermometer](#)

Other Ingredients & Equipment You'll Need:

Mixing Bowl
Stainless Steel Spoon
Stovetop
(2) Pots (for double boiler)
Hand Mixer
Spatula
Scale

Here's How It's Done : Directions

Total Recipe Weights:

200 grams Shea Butter Refined
140 Sweet Almond Oil
56 grams Cocoa Butter Golden Natural
12 grams Sea Salt and Orchid Fragrance Oil
4 grams Vitamin E Oil

Clean and sanitize your work area as well as your packaging.

Step 1: Weigh out the sweet almond oil and cocoa butter. Using a double boiler, melt the butter and oil mixture. Stir periodically.

Step 2: While you are waiting for the cocoa butter to melt, prepare the shea butter. Weigh out the shea butter in a deep mixing bowl.

Step 3: Using a hand mixer, whip the shea butter until it is whipped smooth. Set this aside for the moment, we will come back to it.

Step 4: Once the cocoa butter mixture is in a fluid state, remove it from the heat. Allow the mixture to cool to about 100 degrees Fahrenheit.

Step 5: Next, add the cocoa butter mixture to the bowl containing the shea butter.

Step 6: Using the hand mixer, blend the content of the bowl until they are at a whipped consistency. Allow the mixture to continue to cool until it reaches room temperature.

Step 7: Use the hand mixer to whip the body butter one more time. Finally, add the butter to the jars. Place a lid on top of each jar.
