[Deep Purple FUN Soap Colorant](#)

Other Ingredients & Equipment You'll Need:

Ziploc Bags (6)

Mixing Spoon

10 oz Milk Jug Containers (2)

Powdered Buttermilk

Funnel

Measuring Spoons

Here's How It's Done : Directions

Before you begin, clean and sanitize your work area and all of your packaging materials. It is suggested that you wear gloves, protective clothing, and a hair net while preparing this recipe.

Step 1: First, you will need 6 Ziploc Bags. To each bag, add 283 grams of the Epsom salt. Then, add 15 drops of the NG Fruity Pebbles Type Fragrance Oil. Seal the bag and shake it to mix everything together.

Step 2: Next, add one tablespoon of the powdered milk. Once again, seal the bag and mix everything together.

Step 3: Use the guide below to color the contents of each bag. Once the color is added, seal and mix.

Bag 1: Yellow

3 drops yellow Da Bomb Soap Dye

Bag 2: Orange

2 drops yellow Da Bomb Soap Dye

2 drops red Da Bomb Soap Dye

Bag 3: Red

3 drops Tomato Red FUN Soap Colorant

Bag 4: Purple

3 drops Deep Purple FUN Soap Colorant

Bag 5: Blue

2 drops blue Da Bomb Soap Dye

Bag 6: Pink

Tomato Red FUN Soap Colorant

(Use a toothpick to add a small amount)

Step 4: Begin filling the containers. Start with the yellow. Fill each container with a couple tablespoons of the salt. Then, move to the next color. Repeat this process until the jars are full.

Your bath salts are now ready to use! Simply place a few scoops under your warm running bath water!
